

# Wonderful Grace

Tasha Cobbs

The wonderful grace of Jesus  
Greater than all my sins  
How can a song describe Him?  
Where shall my praise begin?  
Taken away my burdens  
Setting my spirit free  
The wonderful grace of Jesus  
Always reaches me  
Oh yes it does

The wonderful grace of Jesus  
Greater than all my sins  
How can a song describe Him?  
Where shall my praise begin?  
Taken away my burdens  
Setting my spirit free  
The wonderful grace of Jesus  
It always reaches me  
It always reaches

It's beautiful, wonderful, powerful  
Oh the grace that found me  
It's beautiful, wonderful, powerful  
Yes it was Your grace that found me

The wonderful grace of Jesus  
Deep as the roaring sea  
It runs to the most forgotten  
It runs through eternity  
It says I'm a child of heaven  
It says I'm forever free  
The wonderful grace of Jesus, Jesus  
It says I'm a child of heaven  
It says I'm forever free  
The wonderful grace of Jesus!

And it's beautiful, wonderful, powerful  
Oh the grace that found me  
Yes It's beautiful, wonderful, powerful  
Yes it was the grace that found me  
Beautiful, wonderful, powerful  
Oh the grace that found me  
Yes it's beautiful, wonderful, powerful  
Yes it was the grace that found me  
Yes it's beautiful, wonderful, powerful  
Oh the grace that found me  
Yes it's beautiful, wonderful, powerful  
Yes it was Your grace that found me

It was Your grace that found me  
Say it was (It was Your grace that found me)  
And I'm [?] grateful  
It was Your grace (It was Your grace that found me)  
I didn't deserve it, Lord, it was Your grace  
(It was Your grace that found me)

Amazing grace

Oh-oh-oooh amazing grace  
It always reaches  
(Amazing grace)  
Oh-oh-oooh... (amazing grace)  
It always reaches  
(Amazing grace, it always reaches)  
Amazing grace, yeah... (it always reaches)  
Amazing grace, it always reaches  
Amazing grace, it always reaches

It says I'm a child of heaven  
It says I'm forever free  
The wonderful grace of Jesus  
Always reaches me
