

You're Gonna Get The Glory

Tasha Cobbs

Woah, come on clap your hands
Oh, God's gonna get the glory

I've walked through blazing fires
I've sailed the roughest seas
Lived to tell you it was worth it
'Cause You're gonna get the glory

Seen battles by the thousands
Seen both loss and victories
In the end I know what matters
'Cause You're gonna get the glory

And I'm not moved by what I see
Your hand is moving
I know You're using this
I'll live to sing Your victory
'Cause You're gonna get the glory
You're gonna get the glory out of this

Oh, put your hands on it like that
Oh, yes You will
Let's worship together

I've walked through blazing fires (I've walked through blazing fires)
Eh yeah, I've sailed the roughest seas (I've sailed the roughest seas)
Lived to tell you it was worth it (I lived to tell you it was worth it)
Oh, 'cause You're gonna get the glory ('Cause You're gonna get the glory)
Oh, yes You will

Seen battles by the thousands
Seen both loss and victories (Seen both loss and victories)
Hey! In the end (In the end I know what matters)
Oh, 'cause You're gonna get the glory ('Cause You're gonna get the glory)

And I'm not moved by (And I'm not moved by what I see)
God's hand is moving (Your hand is moving)
I know You're using this
I'll live to sing Your victory
'Cause You're gonna get the glory
You're gonna get the glory out of this
(And I'm not moved by what I see)
Your hand is moving (Your hand is moving)
I know You're using this
I'll live to sing Your victory
'Cause You're gonna get the glory
You're gonna get the glory out of this

Somebody put your hands on it right here
God, You're gonna give it, yeah
Ooh

I don't need to understand
God, I trust Your plan
That it's working for my good
Here I am with outstretched hands
I am confident

That it's working for my good
Say it again, y'all say
I don't need to understand
God, I trust Your plan
That it's working for my good
Oh, here I am (Here I am)
Here I am (With outstretched hands)
I am confident (I am confident)
That it's working for me (That it's working for my good)

Ayy, oh yeah (It's working for my good)
You ought to declare that over your life, it's working (It's working for my good)
Doesn't matter what it is, said it's working (It's working for my good)
Ayy, yes, it is
So we declare this today

You won, You won, You won, You've already won
You won, You won, You won, You've already won
Declare that over your life, say
(You won, You won, You won, You've already won)
You won, You won
(You won, You won, You won, You've already won)
Say You won, You won
(You won, You won, You won, You've already won)
Wave your banner, woo!
(You won, You won, You won, You've already won)
Wave the banner
(You won, You won, You won, You've already won)
'Cause He won the victory
(You won, You won, You won, You've already won)
And He did it just for me
(You won, You won, You won, You've already won)
Yes, He did it just for me, oh yeah
(You won, You won, You won, You've already won)
He did it on the cross, oh
(You won, You won, You won, You've already won)
Somebody wave your banner, ayy
(You won, You won, You won, You've already won)
Say You won, You won
(You won, You won, You won, You've already won)
Over every circumstance
(You won, You won, You won, You've already won)
You won, You won
(You won, You won, You won, You've already won)
You won, You won
(You won, You won, You won, You've already won)

And I'm not moved by what I see
God's hand is moving
(I know You're using this) Woo!
I'll live to sing Your victory
'Cause You're gonna get the glory
(You're gonna get the glory) Oh, yes You will
(You're gonna get the glory) Oh, yes You will
(You're gonna get the glory) Oh, yes You will
(You're gonna get the glory)
You're gonna get the glory (You're gonna get the glory)
You're gonna get the glory
You're gonna get the glory out of this
Hey, yes You will

Heyy, God's gonna get it

God's gonna get the glory
God's gonna get the glory
It doesn't matter what it is
It doesn't matter what it is
God's gonna get the glory

I'm healed, I'm healed, I'm healed, I'm already healed
I'm healed, I'm healed, I'm- woo!
Declare this over your life, say I'm healed
(I'm healed, I'm healed, I'm healed, I'm already healed)
I'm healed, I'm healed, I'm healed
(I'm healed, I'm healed, I'm healed, I'm already healed)
Sing this here, I'm free, I'm free, I'm free
(I'm free, I'm free, I'm free, I'm already free)
I'm free, I'm free
(I'm free, I'm free, I'm free, I'm already free)
Say it one more time, say I'm free, I'm free, I'm free
(I'm free, I'm free, I'm free, I'm already free)
No more chains holding me
(I'm free, I'm free, I'm free, I'm already free)
And this is how I know it, You won
(You won, You won, You won) Woo! (You've already won)
Yes, You won, You won
(You won, You won, You won, You've already won)
Yes, You won, You won
(You won, You won, You won, You've already won)
You won, You won
(You won, You won, You won, You've already won)

So I'm not moved by what I see
Your hand is moving
I know You're using this
I'll live to sing Your- (I'll live to sing Your victory)
'Cause You're gonna get the glory ('Cause You're gonna get the glory)
God's gonna get this glory (You're gonna get the glory)
You're gonna get the glory (You're gonna get the glory)
You're gonna get the glory (You're gonna get the glory out of this)
Oh, yes He will
Oh, yes He will

Oh, come on right now where you are
I need you to declare that
God's gonna get the glory out of this situation
God's gonna get the glory out of my life
Whatever it is that you're going through
Whatever it is that you're facing
I need to remind you
That God's gonna get the glory
