

Sugar Mama

Taste

Oh well, tell me sugar mama
Where in the world
Where in the world
Where in the world
Where in the world
Where in the world
You get your sugar from

Tell me sugar woman
Where in the world did you get your sugar from
Down in Louisiana
I was workin' on your daddy's
Working on your daddy's
Working on your daddy's
Sugar farm

Ow...

You know they're braggin' about your good sugar
You know they're braggin' all over town
You know they're braggin' about your sugar babe
I swear they're braggin' all over town

Come on sweet woman

I like my coffee sweet in the mornin'
Woman I'm crazy about my tea at night
I like my coffee sweet in the mornin'
You know I love my tea at night

Come on sweet woman
If I don't get my sugar three times a day
Oh darlin', I don't feel right

Sugar mama, sugar mama, sugar, sugar

Woo...

Ah... sugar mama, I just want you tonight
