

Kudu aditsuh

Tata Bojs

sarang haeyo kudan de ne
kaman kudu aditsuh?

i kudu ponjansa no shenka hanunte
vendžo kudu_d pómjan chim_tül_cho
ódnčok kudu pómjan hen_bok_he
indze nan kudu_d šin_ko tónajsu issa
knde han_bajl_zá_khuk til_te_ma_da him_tudó

I love you but where are my black shoes?
in those shoes I keep my memories of you
bad ones in the left and good ones in the right
now I'm gonna put them on and walk away
but it gets harder with every step I take
