

Ready For Love

Tata Young

Out of luck with love, but still I played the game
Crossed the heart and hoped to God that it would change
So many times, afraid to give my heart away
That was before you came
Showed me another way

Close my eyes
And tell myself that it's all right (it's ok girl, it's ok girl)
Do you feel the way I feel?
'Cause if I let you in
Baby you can get the best of me

The way that you love me, love me, love me
'S'got me thinkin' I'm ready, ready, ready
When I couldn't see
You know you made me believe that
I'm ready for love
The way that you love me, love me, love me
'S'got me thinkin' I'm ready, ready, ready
Can't keep it inside
Because you're doing it right
And I'm ready for love

Resigned to me, myself and I but you flipped it
Never thought that I would find something like this
You stole my heart and ooh you got me good
Keep doing what you do
Cos's I'm so in love with you

Talk to me
And tell me (s'ok girl, go ahead girl)
'Cause I'm laying down my cards
And I'm putting down my guard
Baby you can get the best of me

Hold up, wait a minute, want my love? Come get it, get it!
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love
)
Said hold up, wait a minute, want my love? Come get it, get it!
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love
)
Said hold up, wait a minute, want my love? Come get it, get it!
(I'm ready for, I'm ready for love, I'm ready for, I'm ready for love
)

Close my eyes
And tell myself that it's all right (s'ok girl, go ahead girl)
Cos I'm laying down my cards
And I'm putting down my guard
Baby you can get the best of me
