

Feel My Vibe

Tatarka

Hello Kisa
Welcome home mista
Playing hide and seek
Find me in the system
Feel, feel my vibe
Feel, feel my vibe

Shalom Kisa
Come to me mista
Licking shlombait
Like a prime minister
Feel, my vibe
Feel, my vibe

Feel

Look into my eyes
Find inside your violet prize
I just let you in
Don't forget to make surprise
Feel, my vibe
Feel, my vibe

Your left hand on green
After my right leg on red
We are playing titty twister
From dusk till dawn in bed
Feel, my vibe
Feel, feel my vibe
Feel, my vibe
Try to be on horny side

Feel, my vibe
Feel, feel my vibe
Feel, my vibe
Feel, feel my vibe
Feel, my vibe
Feel, feel my vibe
Feel, my vibe
Try to be on horny side

Stop baby, stop baby, no
Stop baby, stop baby, ye
Feel, my vibe
Feel, feel my vibe
Feel, my vibe
Feel, feel my vibe

Don't stop baby, don't stop
Don't stop baby, don't stop
Feel, feel, feel
