

A Typical Teenage Love Song

Tate McRae

People ask me all the time
What do you look for in a guy?
And honestly I got no type
But in my head
This is what I describe
I want those
Late nights and long drives
Staring at your goddamn smile
Making me fall harder
Than the first time
And playlists with music
Our parents gotten used to it
Whisper in my ear
I'll never lose you
I'll steal all your hoodies
We'll laugh till we can't breathe
Making me feel stupid when you
Tease me
But I ain't looking for perfect
The "perfect picture"
Just someone who'll be there
When I get home
But I ain't looking for perfect
Just a mixture
Of a shoulder and a hand
That I can hold
Tonight
They say I'm unapproachable
But I'm not the girl who
Gets emotional
And if I like you then my walls
Won't close
So let's just see how this goes
I want those
Late nights and long drives
Staring at your goddamn smile
Making me fall harder
Than the first time
And playlists with music
Our parents gotten used to it
Whisper in my ear
I'll never lose you
I'll steal all your hoodies
We'll laugh till we can't breathe
Making me feel stupid when you
Tease me
But I ain't looking for perfect
The "perfect picture"
Just someone who'll be there
When I get home
But I ain't looking for perfect
Just a mixture
Of a shoulder and a hand
That I can hold
Tonight
