Tate McRae

We may not be the same  
We may drive each other insane  
But I trust you  
So I can call you B-F-F  
Yeah, I can call you a B-F-F  
Yeah, I just call you a B-F-F  
Tonight

We may not be secure about each other  
We may have a totally different mother  
But you stood up for me so I believe  
That I can call you a B-F-F  
Yeah, I can call you a B-F-F  
Yeah, I just call you a B-F-F  
Tonight

We may fight  
We may not be that tight  
But I want most  
Is a B-F-F  
That's why I'm calling you B-F-F  
I really want a B-F-F  
Tonight

A B-F-F  
I wanna call you a B-F-F  
That's right, I'm calling you a B-F-F  
Tonight  
B-F-F  
I'm gonna call you a B-F-F  
That's right, I'm calling you a B-F-F  
Tonight  
A B-F-F  
I wanna call you a B-F-F  
That's right, I'm calling you a B-F-F  
Tonight
