Somebody Else

Tate McRae

So I heard you found somebody else
And at first, I thought it was a lie
I took all my things that make sounds
The rest I can do without

I don't want your body
But I hate to think about you with somebody else
Our love has gone cold
You're intertwining your soul with somebody else

I'm looking through you while you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else

And come on baby
This ain't the last time that I'll see your face
And come on baby
You said you'd find someone to take my place

I just don't believe that you have got it in you
Cause we are just gonna keep, keep on doin' it and everytime
I start to believe in anything you're saying
I'm reminded that I should be getting over it

I don't want your body
But I hate to think about you with somebody else
I don't want your body
But I hate to think about you with somebody else

Our love has gone cold
You're intertwining your soul with somebody else
I'm looking through you while you're looking through your phone
And then leaving with somebody else
No, I don't want your body
But I'm picturing your body with somebody else

Get someone you love?
Get someone you need?
Got that, get money
I can't give you my soul, 'cause we're never alone
Get someone you love?
Get someone you need?
Got that, get money
I can't give you my soul, 'cause we're never alone
Get someone you love?
Get someone you need?
Got that, get money
I can't give you my soul

But I don't want your body
But I hate to think about you with somebody else
