

## Stress Me Out

Tate McRae

Little mystery never hurt  
But darling you've misunderstood  
Never wanted this to change  
I'll admit it's been awhile  
But that don't mean I've lost my vibe  
I swear that I'll never change

Watcha doing now  
Center of the crowd  
Swear you're tryna stare me down, ah-ah  
Watchu talking bout  
Keep running your mouth  
Why you gotta stress me out? Ooh-ooh  
I'm stressed out now

If you don't feel it's not the same  
Something ain't clicking in your brain  
Or you don't know what to say, ooh-ooh  
What about the countless hours  
Where we shared our deep desires  
Or maybe you weren't listening

Watcha doing now  
Center of the crowd  
Swear you're tryna stare me down, ah-ah  
Watchu talking bout  
Keep running your mouth  
Why you gotta stress me out?  
I'm stressed out out  
Why you gotta stress me out?
