stupid

Tate McRae

Only think about him on the weekdays and weekends
Only in the mornings and evenings
Only when I wake up and sleep in
Oh my God
Should have read the warning on the label, I don't
Say proceed with caution, but I won't
Guess I do it often, I know
I'm already gone

It's sad but true
I'd go to hell and back if I could go there with you
What do I do?

Oh my God, I'm a fool
Keep on coming back to you
I'm so stupid for you
I'm so stupid for you
You're so bad for my health
But I just can't help myself
I'm so stupid for you
I'm so stupid for you

I have a list of all my habits, habits
Wish I didn't have it, so bad, it's
'Cause all of them are you
And the bad things that you do

Oh I wonder how you do it
Make me feel stupid
Try to fight it off but it's useless
I'm so foolish, fooling around with you

It's sad but true
I'd go to hell and back if I could go there with you
What do I do?

Oh my God, I'm a fool
Keep on coming back to you
I'm so stupid for you
I'm so stupid for you
You're so bad for my health
But I just can't help myself
I'm so stupid for you
(I'm so stupid for you)
I'm so stupid for you

I'm so stupid for you, for you, for you
(I'm so stupid for you)
I'm so stupid for you, for you, for you

It's sad but true
I'd go to hell and back if I could go there with you
What do I do?

Oh my God, I'm a fool
Keep on coming back to you
I'm so stupid for you

I'm so stupid for you
(I'm so stupid for you)
You're so bad for my health
But I just can't help myself
(Just can't help myself)
I'm so stupid for you
I'm so stupid for you
(I'm so stupid for you)

I'm so stupid for you, for you, for you
I'm so stupid for you, for you, for you
(For you)
