

## Sweet

Tate Stevens

Way back as far as I remember,  
Well mama always worried about me  
You see mama, she knew my taste in women,  
She'd say, whatever you do boy, find you one that's sweet  
Mama, I finally found one, I'd like you to meet

She's sweet like a Cadillac  
Sweet like a stack of cold hard cash  
Sweet like the diamond bling  
Dangling down from her belly button ring  
She's sweet like a handful of aces  
Tattoos in secret places  
Mama can't you see, she's sweet

No mama, she ain't into ironing  
And she ain't one to scrub the house and clean  
No mama, she couldn't boil a pot of water  
So she won't be needin' grandma's recipes  
But mama, don't you worry  
She's taking real good care of me

She's sweet like a Cadillac  
Sweet like a stack of cold hard cash  
Sweet like the diamond bling  
Dangling down from her belly button ring  
She's sweet like a handful of aces  
Tattoos in secret places  
Mama can't you see, she's sweet  
Oh yeah

She's sweet like a Cadillac  
Sweet like a stack of cold hard cash  
Sweet like the diamond bling  
Dangling down from her belly button ring  
Sweet like a handful of aces  
Tattoos in secret places  
Sweet like a Hollywood dream  
7-7-7 on a slot machine  
She's sweet, she's sweet
