1. They say they don't trust,  
**E5 E5 Db5 Gb5**  
You, me, we, us.  
**Ab5 Ab5 Ab5 Ab5**  
So we'll fall if we must,  
**E5 E5**  
'Cause it's you, me,  
**Db5**  
And it's all about,  
**Gb5**  
It's all about

- Abm**  
R: It's all about us, all about us  
**Dbm**  
It's all about, all about us, all about us  
**Gb**  
There's a theme that they can't touch  
**Dbm**  
'Cause you know us  
**Abm**  
It's all about us, all about us  
**Dbm**  
It's all about, all about us, all about us  
**Gb**  
Run away if we must  
**Dbm**  
'Cause you know us  
**Abm**  
It's all about us (it's all about us)  
**Dbm Abm**  
It's all about us (it's all about us)  
**Dbm Abm**  
In you I can trust (it's all about us)  
**Dbm Abm E5 Gb5**  
It's all about us

2. If they hurt you,  
They hurt me too.  
So we'll rise up,  
Won't stop,  
And it's all about,  
It's all about

R: It's all about us...

- Abm**  
\*: They don't know,  
**Dbm**  
They can't see,  
**Gb B Dbm**  
Who we are,  
**B**  
Fear is the enemy,  
**Abm**  
Hold on tight,

**Dbm**

Hold on to me,

**Gb**       **B Dbm**

'Cause tonight...
