

Love The Way You Love Me

Tatyana Ali

Come here
I wanna tell you something

I love it when you touch me
With the feeling of romance
Ooh, in the middle of the dance
I love the way you love me

Something about the magic
Of your kisses in the dark
All up in my heart
I love the way you love me

I love the way, baby
Oh, oh, baby

Talkin' about the love you give
Strong and yet sensitive
You take my breath away
I go crazy

When you touch me tenderly
Cuddle up next to me
I never felt this way

When you pull me close
I just wanna cry
Little tears of joy
Fall from my eyes

I love it when you touch me
With the feeling of romance
In the middle of the dance
I love the way you love me

Something about the magic
Of your kisses in the dark
All up in my heart
I love the way you love me

I think I'm fallin'
Hopelessly in love with you
Deeper than I wanted to
You fill me with desire

Hear me callin'
Hungry for another kiss
Never tasted love like this
You set my soul on fire

No one else could ever
Take your place
You're the reason
For the smile on my face

I love it when you touch me
With the feeling of romance

In the middle of the dance
I love the way you love me

Something about the magic
Of your kisses in the dark
All up in my heart
I love the way you love me
I love the way you love me, baby

Love the way you love me, come on baby
Love the way you love me, come on baby
Love the way you love me
I love the way you love me, come on baby

Love the way you love me, come on baby
Love the way you love me, come on baby
Love the way you love me
I love the way you love me

Yeah, yeah, yeah, I love the way
Yeah, yeah, yeah, the way you love me
Yeah, yeah, yeah, I love the way
Yeah, yeah, yeah, the way you love me

Yeah, yeah, yeah, I love the way
Yeah, yeah, yeah, the way you love me
Yeah, yeah, yeah, I love the way
Yeah, yeah, yeah, the way you love me

All these guys keep tryin'
To get next to me, oh yeah
But I'm not feelin' them
You know what I mean?

I am lookin' 'round
For no one new
Baby, ain't no doubt
I wanna be with you

I love it when you touch me
With the feeling of romance
In the middle of the dance
I love the way you love me

Something about the magic
Of your kisses in the dark
All up in my heart
I love the way you love me

I love it when you touch me
With the feeling of romance
In the middle of the dance
I love the way you love me

Something about the magic
Of your kisses in the dark
All up in my heart
I love the way you love me
I love the way you love me, baby

Love the way you love me, come on baby
Love the way you love me, come on baby
Love the way you love me

I love the way you love me, come on baby

Love the way you love me, come on baby

Love the way you love me, come on baby

Love the way you love me

I love the way you love me
