Timber  
Yeah  
Timber  
Uh huh  
Timber

Timber  
Girl, you got me falling  
Don't make splinters  
Of this heart, darlin'  
Say it again, say it again  
Timber  
Girl, you got me falling  
Baby, don't make splinters  
Of this heart, darlin'

I knew you could see  
Baby, when you hit on me  
And I was weak for you  
And you knew just what to do  
You put a little more shimmy in your life  
You gave me a look that said "gimme you"  
Gotta give it up

Timber  
Girl, you got me falling  
Don't make splinters  
Of this heart, darlin'  
Say it again, say it again  
Timber  
Girl, you got me falling  
Baby, don't make splinters  
Of this heart, darlin'

Your hypnotic grin  
Got me out on a limb again  
I know that I'd be lost  
Ooh, child, if you cut me off  
Your touch makes me tremble down in my boots  
You make me surrender right down to my roots  
Right down to my roots  
Well

Timber  
Timber  
You got me falling for you

Timber  
Girl, you got me falling (Got me)  
Don't make splinters  
Of this heart, darlin'  
Say it again, say it again  
Timber  
Girl, you got me falling  
Baby don't make splinters  
Of this heart, darlin'
