I'm on beltway and I'm eating Fish fillet  
Juggin and Finessing at very young age  
Tryna check me close that mouth on your face  
22 Shot nigga only shot topay...

But In the cafeteria I'm knocking down your tray  
Niggas tryna eat off us but this ain't no Buffet  
I'm on beltway and I'm eating Fish fillet  
Juggin and Finessing at very young age  
Tryna check me close that mouth on your face

Make em spin with that choppa that's ballet  
You know Ima win when it comes to running game  
Fresh off a stain now yo bitch want my dick  
Yo bitch wanna claim yuh she smoking off my zip
