When my spot get hot like lava gotta stay away

Thats why I can't fuck with ganja, marijuana stank
But I'm still on fabiana, can't make up my brain
Let me know if you want it, jump out get it, gang

Nigga try lil Tay-K it's gon' be his last day
If you not talkin bout' smoke you could go dat way
He think he hot, we put him out, where is the ash tray
I fucked yo bitch on the first and the last date
And I'm smoking dead opps out the ashtray
And I also got some KK in my ashtray
If you not talkin bout' smoke you could go dat way
Big glizzy knocked yo toupe
Big 30 not no 38
And I'm smokin dead opps out the ashtray
And I also got some KK in my ashtray
If you not talkin bout' smoke you could go dat way
If you not talkin bout' smoke you could go dat way
If you not talkin bout' smoke you could go dat way
Big 30 ain't no 38
Damn glizzy knocked yo toupe
And I'm smokin' dead opps out the ashtray
If you not talkin bout' smoke you could go dat way
And I also got some KK in my ashtray
If you not talkin bout' smoke you could go dat way
