

Leave you in a ditch nigga
12 hollow tips nigga
I don't play tag but
I just go and get nigga

Leave you in a ditch nigga
12 hollow tips nigga
I don't play tag but
I just go and get nigga

She heard I'm finna close
So she finna eat my dick quicker
I just want the sex
I ain't finna watch no flicks with her
Bitch had me bored
So you know Lil TayK get slipper
I just grabbed a lil hoe
And Pimpie grab her big sister
Bitch I'm 15, and I don't fuck with 12
All you niggas Microsoft
So tell me what's the dell
Fuck nigga you a goof
I'll call you Chapelle
If a nigga want some work
He can hit me on my cell
I just bought some pack and a uber
Bought my bitch a rari, we don't do no PT Cruisers
And when it comes to food
Boa you know I'm a abuser
Y'all suckin off the youth, like a mothafuckin cougar

Leave you in a ditch nigga
12 hollow tips nigga
I don't play tag but
I just go and get nigga

Leave you in a ditch nigga
12 hollow tips nigga
I don't play tag but
I just go and get nigga
