Tay-K

Free Santana bitch!

Mama told me; "Never lose, cause baby you a winner"  
I was lurking 'round his block, he was lurking on my twitter  
At the trap with the Glocks nigga, Tay-K babysitter  
I was just trying to shine like some muh'fuckin' glitter  
I was under rugs with my cuz tryna rob a plug  
Little bitch hit me up she want love  
I ain't show enough  
I said "Bitch I'm a rugrat, I don't know how to love back"  
Groupies and them dump sacks, girl that's where my love at

Choppa in the trunk  
Glock in my hand  
If a nigga run up on me it's a wrap like saran (issa wrap)
