

## Sly Cooper

Tay-K

Creepin round his block like I am Sly Cooper, Bitch I am no hoo  
per but you know that I'm a shooter  
Muddy booster booster in the convertible cougar, pour it up, po  
ur it up, pour it up  
The folks in my computer think that I pour way too much  
The folks in my computer think that I don't care enough  
And the folks on my computer don't think that I got it rough  
But the folks in my computer fuck around and I wake up  
Cuz I don't give a fuck, cuz I can't give a fuck, let my bitch  
hold the tool she look like Carmelita  
You a chicken in the wrong coop and I can't hear you cluck  
I'm a dog, you could call me snoop and I can smell yo bucks
