Heard you doin bad, you ain't got 2k
Money on my mind and some Gucci on my face
First one to finish, heard you was last place
I run it up and you keep it at a pace
Bitch, how you do that? Cause my name Tay
Make way for a bad bitch walkin, poppin
Ima shake this ass til it's 5 in the mornin
Shake that, money on the floor, go rake that
Bitch, I came up and I treat it like it's payday, whoa

Pretty in pink, still don't give a fuck
Need 5k just to walk in yo club
Chanel No5, everybody want a hug
I'm takin trips and all you take is drugs
Pretty in pink, still don't give a fuck
Need 5k just to walk in yo club
Chanel No5, everybody want a hug
I'm takin trips and all you take is drugs

He said what's up, I'm like nah boy I'm good
Just keep it movin ima show you how I do it
Tay get into it but I seen him in a Buick
Know I'm getting money and I'm always going through it
Walk in the store let it go, bitch I blew it
Broke ass bitches, like how do you do it?
I told that bitch leave her man, don't be stupid
That's a command but I bet she don't do it

Pretty in pink, still don't give a fuck
Need 5k just to walk in yo club
Chanel No5, everybody want a hug
I'm takin trips and all you take is drugs
Pretty in pink, still don't give a fuck
Need 5k just to walk in yo club
Chanel No5, everybody want a hug
I'm takin trips and all you take is drugs

I'm takin trips and all you take it drugs
