

U Poppin

Tay Money

(You bitches in trouble
Come on, Tay, aye, aye)

Make it dip, make it shake
Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'
Make it dip, make it shake
Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'

Dope boys on me, I don't really see 'em
Got my own shit, so I don't really need 'em
You the haystack, bitch I'm the needle
Tay Money rock, rockin' like the Beatles
He say that he miss me boy, miss me with that
Tay where you been?
Boy, I been in my bag
Now I got you lookin' like I got it like that
I'm postin' pics but I ain't texting back
Ya'll ain't think I would bump like that
I was gettin' money and you was on relax
You wanna get money, bitch?
Lemme see ya shake your ass

Make it dip, make it shake
Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'
Make it dip, make it shake
Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'

I'ma show you what it's worth
(I'ma show you what it's worth)
I'ma show you how it works
(I'ma show you how it works)
You gone throw it in reverse
(You gone throw it in reverse)
I'ma have you wakin' up in his shirt

First, take it down to the floor, take it down to the floor
Hit the ground, pick it up real slow
Back it up 'til you can't no more

You hatin' on me 'cause I guess I'm what you not
Tay Money do the most and you just do a lot
Tay Money, Tay Money, Tay Money, Tay Money
Tay Money, Tay Money, Tay Money, Tay Money

Make it dip, make it shake
Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'
Make it dip, make it shake

Move your body bitch, it's a earthquake
Dip it low, you poppin'
Do it like your ex been watchin'

I'ma show you what it's worth
(I'ma show you what it's worth)
I'ma show you how it works
(I'ma show you how it works)
You gone throw it in reverse
(You gone throw it in reverse)
I'ma have you wakin' up in his shirt
