Melody

Tayc

Ouais. Ok j'ai une idée.
All that ass was conceived for me to just grab it
I know that is turning you on
No problem I'm just making sure it's authentic
Pussy smell good, that is my personal yayo
Okay...
My brain's in my ---, you always making me stay up
No shit, dolce
And your man is so so stiff (okay)
We can film it, don't post it
In every room we both pick (okay)
Splash, yuh yuh
You are fucking with the mayor (hmm)
The bed goes woopty woop all night
Repeat it, treat you like FruityLoops

Dirty mind, dirty beauty
J'ai investi dans les bougies
Honey fuck that movie
J'n'ai plus trop le choix, faut que je prouve non
Ton cavu sait danser comme Mikey
Il sait dire "coucou Taykee" (choose)
Ce soir je suis dans le meilleur des moods (one)
Forcément le point G j'ai trouvé
(Now you put it down, oh put it down)

Oh, oh, oh, that melody
Oh, oh, how you put it down
Oh, oh, oh, that melody
Oh, oh, how you put it down

Both cheeks down, I'm your shadow
Been a while since I had those (yeah)
I'm sure that we met in some past life
Pulling your hair, that's the best bike
Been the trending topic, you can ask Tayk'
(Wee-oo-wee)
The medics are coming aside
I need a whole ventilator

She killing it, getting it, jump on my order (j'suis timide)
She gives me the shoulder (tu m'imites)
Bomb that is waiting to blow up (watch yourself)
I'll be decrypting, and opening the folder

Dirty mind, dirty beauty
J'ai investi dans les bougies (okay)
Honey fuck that movie (yeah)
J'n'ai plus trop le choix, faut que je prouve non (okay)
Ton cavu sait danser comme Mikey (move it)
Il sait dire "coucou Taykee" (choose)
Ce soir je suis dans le meilleur des moods (one)
Forcément le point G j'ai trouvé
(Now you put it down, oh put it down)

Oh, oh, oh, that melody
Oh, oh, how you put it down

Oh, oh, oh, that melody
Oh, oh, how you put it down

Toujours les mots qu'il faut, pas vrai?
Oublie pas...
Quand ça redescend, souviens-toi de la première fois.
