

Fight

Tayla Parx

I'm not saying I'm right, I'm not saying you're wrong
I'm just saying right now I wanna get along, baby
I don't wanna fight

Was it something I did? Something I said?
Did I just forget what I always forget?
I've got nothing to prove, I'm calling a truce
Girl, if I'm risking you it's just too much to lose

This time I'm not

I'm not saying I'm right, I'm not saying you're wrong
I'm just saying right now I wanna get along, baby
I don't wanna fight
I don't wanna fight
Neither of us have to shoulder the blame
You could be mad as hell, I'd still love you the same
Baby, I don't wanna fight
I don't wanna fight, tonight

Girl, if I'm losing sleep
I'd rather be rolling around messing up all the sheets
'Cause there's no upper hands when you're holding my hand
It's not that I don't care, I just don't give a damn

I'm not saying I'm right, I'm not saying you're wrong
I'm just saying right now I wanna get along
Baby, I don't wanna fight
I don't wanna fight (I don't wanna fight)
Neither of us have to shoulder the blame
You could be mad as hell, I'd still love you the same
Baby, I don't wanna fight (Don't wanna put up a)
I don't wanna fight

I could stay my ground but I'd rather have my arms around you right 'bout now
We could scream and shout but I'd rather have my arms around you right 'bout now

I'm not saying I'm right, I'm not saying you're wrong
I'm just saying right now I wanna get along
Baby, I don't wanna fight
I don't wanna fight (I don't wanna fight)
Neither of us have to shoulder the blame
You could be mad as hell, I still love you the same
Baby, I don't wanna fight
I don't wanna fight tonight

I don't wanna fight
Come kiss me baby
No, I don't wanna fight
I don't wanna fight
