Jeffery
Sunday afternoon
Jeffery
Are you leaving soon
You were the one on Saturday night
You were the one I chose
But Jeffery
You ain't gotta go home

But you got to get the hell out of here
And make sure you take your chain too
Cuz I don't need a fucking souvenir
It'll only make me think about you
Gon' get out of here Jeffery, Jeffery
Run run run run and don't look back twice
Gon' get out of here Jeffery, Jeffery
And let's just chalk it up
To one hell of a ride

Jeffery
it's that time of night
Jeffery
we should make it right
Let's put our differences aside
Don't want you to leave too soon
But Jeffery
Sunday afternoon

You got to get the hell out of here
And make sure you take your chain too
Cuz I don't need no fucking souvenir
It'll only make me think about you
Gon' get out of here Jeffery, Jeffery
Run run run run and don't look back twice
Gon' get out of here Jeffery, Jeffery
And let's just chalk it up
To one hell of a ride
