

Nonchalant

Tayla Parx

What comes next is unexpected
Keep my energy protected
Nonchalant, I'm unaffected
What's your motivation?
Need some deeper conversation
Round these stars, these constellations
Listening but I'm really spacin'

Just want something
To make me feel something
Lately I've been wondering
If this all means nothing
Cause I'm

I'm about to blow
I been on my calm shit
I'm at full control
If I'm being honest
I'm about to blow
I been on my calm shit
I'm at full control
On my nonchalant shit

On my nonchalant shit

On my nonchalant shit
