

## South Beach

Tayla Parx

I'm been single for a night  
Ain't looking for no advice  
I ain't think about it twice  
Have somebody book a flight  
Guess I felt like getting high high  
Make sure I got my ID  
Left my momma with the key  
Ubering I got my window seat  
My headphones on  
Playing my new favorite song

Yup, South Beach for the summer  
Yup, Low-Key with my runners  
Yup, South Beach for the summer  
I'm in the back of the club  
You blowin' me up

And I ain't lookin' for love  
Love [x13]  
Ain't lookin' for love  
Love [x13]  
And I ain't lookin' for love  
Love [x13]  
Ain't lookin' for love  
Love [x13]

Ain't lookin' for no new friends  
Or a new man  
Only here for the weekend  
Catch me if you can  
I came out here cause the beach is better  
Givin' you the cold shoulder  
Grab ya sweater  
Singin' sad songs  
Sippin' Chardonnay  
Met your side piece  
Name is Chardonnay  
Brrrrp brrrrp  
That's your best friend callin'  
But I ain't lookin' for love  
Love [x13]
