

Staring out the window of your city apartment  
Wishing I was anywhere else  
Right then and there I made myself a promise  
That one day I'd escape your hell

You reached over and pulled the blinds  
Said the sun would burn my eyes  
Told me I had the perfect life  
But it turns out (it turns out)

The grass is greener on the other side  
Yeah, it looks even better than what I had in mind  
Yeah, I could build a house and maybe paint it white  
Now I see for miles and it's all mine  
Yeah it's all mine  
Always said that I wouldn't amount to anything  
Oh, and lately I've been sensing some jealousy  
By the way tonight he's sleeping right next to me  
Oh it's so much sweeter  
God it's so much greener on the other side

Staring at the dark skyline from a distance  
Feels like another planet now (like another planet)  
And you'd never admit that this one existed  
Runnin' felt so out of bounds

I guess I proved the theory wrong  
I stepped over where that line was drawn  
To this viridescent bridge I'm on  
And I'm lookin' out, I'm lookin' out

The grass is greener on the other side  
Yeah, it looks even better than what I had in mind  
Yeah, I could build a house and maybe paint it white  
Now I see for miles and it's all mine  
Yeah it's all mine  
Always said I wouldn't amount to anything  
Oh, and lately I've been sensing some jealousy  
By the way tonight he's sleeping right next to me  
Oh it's so much sweeter  
God it's so much greener (on the other side)

Oh-oh-oh-oh-oh-oh  
The grass is greener, yeah  
Oh-oh-oh-oh-oh-oh

The grass is greener on the other side  
Yeah, it looks even better than what I had in mind  
I could build a house and maybe paint it white  
Now I see for miles and it's all mine  
It's all mine
