

Put It In A Song

Taylor Acorn

Trying to fight this feeling
Not quite sure what it is
You sit right there, left hand on the steering wheel driving
And I can't help but stare 'cause you're so damn perfect
And I have so many things to say
But I just don't know how to word it 'cause

You, you're like a Tennessee summer
Toes deep in the water
Got me a hotter than a fire
And you, you're like a fine wine sippin'
I only need a little bit and boy I'm feelin' it
I just want to be the one you want
And I just want to give you all I've got
But how do I tell you without it all coming out wrong
Oh I'll just put it in a song
Turn it up, windows down, singing loud
I'll put it in a song
Get it out, can you hear me now
Oh, I'll just put it in a song
(Oh I'll just put it in a song)

For years I've been searching for someone like you
And you get my wheels spinning
Out of this driveway, running to you
And I can't help but smile when you look at me
I have so many things to say
But I just don't know how to say it 'cause

You, you're like a Tennessee summer
Toes deep in the water
Got me a hotter than a fire
And you, you're like a fine wine sippin'
I only need a little bit and boy I'm feelin' it
I just want to be the one you want
And I just want to give you all I've got
But how do I tell you without it all coming out wrong
Oh I'll just put it in a song
Turn it up, windows down, singing loud
I'll put it in a song
Get it out, can you hear me now
Oh, I'll just put it in a song
(Oh I'll just put it in a song)

Trying to fight this feeling
Not quite sure what it is
And you get my wheels spinning
And boy you know I just can't help it 'cause

You, you're like a Tennessee summer
Toes deep in the water
Got me a hotter than a fire
And you, you're like a fine wine sippin'
I only need a little bit and boy I'm feelin' it
I just want to be the one you want
And I just want to give you all I've got
But how do I tell you without it all coming out wrong

Oh I'll just put it in a song
Turn it up, windows down, singing loud
I'll put it in a song
Get it out, can you hear me now
Oh, I'll just put it in a song
(Oh I'll just put it in a song)

Oh, I'll just put it in a song
Turn it up, windows down, singing loud
I'll put it in a song
Get it out, can you hear me now, hear me now
