

Reminisce

Taylor Acorn

Oh, oh
Oh, oh

You picked me up, we drove around town
Got way too drunk, back at your parent's house
And once upon a time at the Hollywood sign, you were holding me, holding me close
And when you were mine, last thing on my mind, was letting you, letting you go

I know it's been so long
But you're never really gone

Some nights, I'll reminisce, I'll reminisce, and I'll miss you
Were you the one, I wonder, if you wonder about me, too?
Seems like just yesterday, we're sneaking out your window
Some nights, I'll reminisce, I'll reminisce, and I'll miss you

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
I miss you, I miss you, I miss you

I close my eyes, we're in that dashboard glow
With one headlight, down all those midnight roads
Memories flash, you're pulling me back, and I don't ever wanna let go
Never could last, we left it in the past, yeah, baby, I'm just letting you know

Thinking about those days
Don't think it's just a phase

Some nights, I'll reminisce, I'll reminisce, and I'll miss you
Were you the one, I wonder, if you wonder about me, too?
Seems like just yesterday, we're sneaking out your window
Some nights, I'll reminisce, I'll reminisce, and I'll miss you

I'll miss you, I'll miss you, I'll miss you
I'll miss you, I'll miss you, I'll miss you

Seems like just yesterday, we're sneaking out your window
Some nights, I'll reminisce, I'll reminisce, and I'll miss you

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
I miss you, I miss you, I miss you

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
