

# Vertigo

Taylor Acorn

I was riding on a flat line  
Made a living with the lost I'd found  
Wasn't ready for the capsize  
When my world flipped upside  
Down, down, down, down  
Down, down  
You got me floating in an ocean of emotion, and I think I'm gonna  
Drown, drown, drown, drown now  
You're drown  
Oh my God

And I think I might be sick  
Like, what the hell is this?  
I need to get a grip  
You're giving me the spins

Oh no, must be vertigo  
The way I'm tripping, no  
Normally I'd proceed with caution  
But you broke in, and now I'm nauseous, so  
Don't go, never let somebody get so close  
Who am I kidding? I'll fall so hard, and it won't be pretty  
My heart's dead set, but my head's so dizzy

Ears ringing on the daily  
Are you thinking of me all the time?  
Got my stomach turning lately  
Damn, did you give me butterflies?  
Lie, lie, lie, lies  
I tell myself that I don't need nobody else, but I can't get you off my mind  
, mind, mind  
Mind, oh my God, oh my God

Oh no, must be vertigo  
The way I'm tripping, no  
Normally I'd proceed with caution  
But you broke in, and now I'm nauseous, so  
Don't go, never let somebody get so close  
Who am I kidding? I'll fall so hard, and it won't be pretty  
My heart's dead set, but my head's so dizzy

I think I might be sick  
Like, what the hell is this?  
What the hell?  
I need to get a grip  
Come on, get a grip  
You're giving me the spins  
I think I might be sick  
Like, love is such a bitch  
I think I'm giving in  
Love is such a bitch  
You're giving me the spins

Oh no, must be vertigo  
The way I'm tripping, no  
Normally I'd proceed with caution  
But you broke in, and now I'm nauseous, so

Don't go, never let somebody get so close  
Who am I kidding? I'll fall so hard, and it won't be pretty  
My heart's dead set, but my head's so dizzy

I think I might be sick  
Like, what the hell is this?  
I need to get a grip  
Oh, my head's so dizzy  
You're giving me the spins  
My head's so dizzy  
My head's so dizzy  
Oh, fuck it
