

Mumble Rap

Taylor Bennett

Damn Vern, you made this?

I know this bitch down in Texas that's reckless and naked and she got a body
on her
She wanna kick it like you like to kick it when we were just kids with someb
ody, oh
I know that she ain't the best or the baddest but that bitch a savage when I
'm alone
I got the VVs drippin' from my neck, gotta watch where I step over pot of go
ld
Money coming like a Lotto show
I don't know, it's just a lot of shows
They just say I look like money now
Guess that means I look like Chano more
Last tour was okay
Next tour like, "There he goes"
Restoration was resuscitating
Got 'em all [?], let's go
Twenty-thousand on my next list
I might fuck around and pull ya block
Pulling on the block like Tetris
Point 'em out, nigga, who the opp?
[?] was elected
Ain't no second guessin' who the boss
I'm expected, that's especially, uh
I guess success is a recipe, huh?
Rollie, Patek with some new Michael Kors
I'm on a rollie and she off the Port
She get V.I.P. on all of my tours
Me and Chano still ain't gon' on a tour
All these blue hunnids keep comin' in more
Wake up, money, got a check and [?]
My diamonds flickin' water on the pole
I'm not a sheep, I'm a wolf and it glow
What you wanna do?
I wanna do it too
Take a sip for me
I take a sip of you
What you runnin' for?
What you runnin' to?
Rubber band, baby, keep on thumbin' through
I'm a [?], summertime
I'm on summer hunts, summer hit
And when it's nothin' to do, it's somethin' to do
When we get home, we taking off all our clothes
Nigh time until the morning, then we gon' do it all again
You gon' get what you asking for in a minute if you know what you want
You ain't gotta ask for it
I know what I want when I want it from you
Don't know 'bout you
I'm not a sheep, I'm a wolf, and a goat, and a lion
And bettin' a chef on the stove and a fish in the sea
But a G on the globe and big folks in Atlanta
The star on the road, and a kid in this [?]
Can't live with my girl, fuck with that minimum wage
Like I said in my song
Living this life I been living so long

I been living this life you pretend in your songs
