

embarrassing

Taylor Bickett

Falling in love is so embarrassing
Spend two years worried what their parents think
For someone you won't end up marrying
I hate how much I cared
I think that shit's so embarrassing
And I told
My friends that I thought we'd grow old
And now you've made me a liar
Why do we do this voluntarily?
Falling in love is so embarrassing

You never recognize when you're in it
How stupid you look
No regrets, except for everything that I did and I said

Who
Wrote all those letters?
And who
Saw their forever in you?
I don't know
There's no one else who was there but me
And how'd
You get me out of the house
With all those words in my mouth?
I don't know
I'd rather die than repeat a thing
Falling in love's so embarrassing

What have you done with all the evidence
The ammunition that I left you with?
I'm overthinking every text I sent
I wish that I knew better then
I'll probably do it all again, 'cause

You never recognize when you're in it
How stupid you look
No regrets, except for everything that I did and I said

Who (Who)
Wrote all those letters?
And who (Who)
Saw their forever in you?
I don't know
There's no one else who was there but me (Who)
And how'd (How)
You get me out of the house (How)
With all those words in my mouth?
I don't know
I'd rather die than repeat a thing
Falling in love's so embarrassing

Who? Woah
Who? (Who?)

Who
Wrote all those letters?
And who

Saw their forever in you?
I don't know
How to admit what you meant to me
Falling in love's so embarrassing
