

Never Enough

Taylor Hawkins & The Coattail Riders

Got my head in my clouds
Keeps me blind to see
It's my time I've wasted
In my space to breathe

I give you everything, you know it's never enough
I give you everything, but it's never enough
I'm on my hands and knees, but it's never enough
I give you everything, you know it's never enough
Never enough

Take my place
Keep my thoughts inside
I won't say a word to you
Doesn't mean a thing to me

I give you everything, you know it's never enough
I give you everything, but it's never enough
I'm on my hands and knees, but it's never enough

I give you everything, you know it's never enough
Never enough

I give you everything, but it's never enough
I give you everything, you know it's never enough
I'm on my hands and knees, but it's never enough
I give you everything, but it's never enough
I give you everything, but it's never enough
I give you everything, but it's never enough
I'm on my hands and knees, but that isn't enough
I give you everything, but it's never enough Never enough
