Took a deep breath in the mirror

He didn't like it when I wore high heels, but I do

Turned the lock and put my headphones on

He always said he didn't get this song but I do, I do

Walked in expecting you'd be late
But you got here early
And you stand and wait
And I walk to you
You pulled my chair out and helped me in
And you don't know how nice that is
But I do

And you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never d id

I've been spending the last 8 months thinking all love ever doe s

Is break and burn and end

But on a Wednesday in a Café I watched it begin again

You said you never met one girl

Who has as many James Taylor records as you

But I do

We tell stories and you don't know why I'm coming off a little shy

But I do

But you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never did

I've been spending the last 8 months thinking all love ever doe s

Is break and burn and end

But on a Wednesday in a Café I watched it begin again

And we walk down the block to my car
And I almost brought him up
But you start to talk about the movies
That your family watches every single Christmas
And I won't talk about that
For the first time, what's past is past

'Cause you throw your head back laughing like a little kid I think it's strange that you think I'm funny 'cause he never d id
