Taylor Swift

D A Bmi G G

D A  
I'd never gone with the wind

Bmi  
Just let it flow

G A D  
Let it take me where it wants to go

A Emi  
Till you open the door there's so much more

G  
I've never seen it before

A Bmi G  
I was trying to fly but I couldn't find wings

A Bmi G  
But you came along and you changed everything

D A  
You lift my feet off the ground

Bmi  
You spin me around

G  
You make me crazier, crazier

D A  
Feels like I'm falling and I

Bmi  
I'm lost in your eyes

G  
You make me crazier, crazier, crazier

D A  
I watched from a distance as you

Bmi  
Made life your own

G A D  
Every sky was your() own kind of blue

A Emi  
And I wanted to know how that would feel

G  
And you made it so real

A Bmi G  
You showed me something that I couldn't see

A Bmi G  
You opened my eyes and you made me believe

D A  
You lift my feet off the ground

Bmi  
You spin me around

G  
You make me crazier, crazier

D A  
Feels like I'm falling and I

Bmi  
I'm lost in your eyes

G  
You make me crazier, crazier, crazier
