

Dress

Taylor Swift

Our secret moments in your crowded room
They've got no idea about me and you
There is an indentation in the shape of you
Made your mark on me, a golden tattoo

All of this silence and patience, pining and anticipation
My hands are shaking from holding back from you (ah, ah, ah)
All of this silence and patience, pining and desperately waiting
My hands are shaking from holding back from all this
Ah, ha, ha, ha

Say my name and everything just stops
I don't want you like a best friend
Only bought this dress so you could take it off
Take it off (ha, ha, ha)
Carve your name into my bedpost
'Cause I don't want you like a best friend
Only bought this dress so you could take it off
Take it off (ha, ha, ha, ha)

Inescapable, I'm not even going to try
And if I get burned, at least we were electrified
I'm spilling wine in the bathtub
You kiss my face and we're both drunk
Everyone thinks that they know us
But they know nothing about

All of this silence and patience, pining and anticipation
My hands are shaking from holding back from you (ah, ah, ah)
All of this silence and patience, pining and desperately waiting
My hands are shaking from holding back from all this
Ah, ha, ha, ha

Say my name and everything just stops
I don't want you like a best friend
Only bought this dress so you could take it off
Take it off (ha, ha, ha)
Carve your name into my bedpost
'Cause I don't want you like a best friend
Only bought this dress so you could take it off, take it off

Only bought this dress so you could take it off, take it off
Only bought this dress so you could take it off

Nights back when you met me
Your buzzcut and my hair bleached
Even in my worst times, you could see the best of me
Flash back to my mistakes
My rebounds, my earthquakes
Even in my worst light, you saw the truth in me
And I woke up just in time
Now I wake up by your side
My one and only, my lifeline
I woke up just in time
Now I wake up by your side
My hands are shaking, can't explain this
Aha, ha, ha, ha

Say my name and everything just stops
I don't want you like a best friend
Only bought this dress so you could take it off, take it off
(Ha, ha, ha)
Carve your name into my bedpost
Cause I don't want you like a best friend
Only bought this dress so you could take it off, take it off
(Ha, ha ha)
