I'd Lie

Taylor Swift

D A Emi G (2x)

```
  D                  A         Emi G
I don't think that passenger seat
    D                 A         Emi G
Has ever looked this good to m, e
   D           A         Emi
He tells me about his night
G  D                 A        Emi G
I count the colors in his eyes

      D
He'll never fall in love he swears
      A
As he runs his fingers through his hair
As he runs his fingers through his hair
Em  D/F#  G
    Emi                D/F#         G
I'm laughing 'cause I hope he's wrong
    D
And I don't think it ever crossed his mind
   A
He tells a joke, I fake a smile
    Emi             D/F#     G
But I know all his favorite songs

A            D
And I could tell you
              A
His favorite color's green
            Emi
He loves to argue
              G
Born on the seventeenth
              D
His sister's beautiful
             A
He has his father's eyes
           Emi       D/F# G         A
And if you ask me if I love him...
I'd lie

D A Emi G

D          A         Emi G
He looks around the room
D          A                Emi G
Innocently overlooks the truth
D            A       Emi
Shouldn't a light go on?
G              D                    A            Emi  G
Doesn't he know that I've had him memorized for so long

D
He sees everything in black and white
A
Never let nobody see him cry
```

Emi D/F# G A
I don't let nobody see me wishing he was mine

D
I could tell you
A
His favorite color's green
Emi
He loves to argue
G
Born on the seventeenth
D
His sister's beautiful
A
He has his father's eyes
Emi D/F# G A
And if you ask me if I love him...
I'd lie

D A Emi G (2x)

D
He stands there, then walks away
A
My God, if I could only say
Emi D/F# G
I'm holding every breath for you

D
He'd never tell you
A
But he can play guitar
Emi
I think he can see through
G
Everything but my heart
D
First thought when I wake up is
A
My God, he's beautiful
Emi D/F# G
So I put on my make-up and pray for a miracle

D
Yes I could tell you
A
His favorite color's green
Emi
He loves to argue
G
Oh, and it kills me
D
His sister's beautiful
A
He has his father's eyes
Emi G
And if you ask me if I love him...
Emi D/F# G
If you ask me if I love him...
I'd lie
