

I Don't Wanna Live Forever

Taylor Swift

Been sitting eyes wide open behind these four walls, hoping you'd call

It's just a cruel existence like there's no point hoping at all

Baby, baby, I feel crazy, up all night, all night and every day
Give me something, oh, but you say nothing
What is happening to me?

I don't wanna live forever, 'cause I know I'll be living in vain
And I don't wanna fit wherever

I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home

I'm sitting eyes wide open and I got one thing stuck in my mind
Wondering if I dodged a bullet or just lost the love of my life

Baby, baby, I feel crazy, up all night, all night and every day
I gave you something, but you gave me nothing
What is happening to me?

I don't wanna live forever, 'cause I know I'll be living in vain
And I don't wanna fit (fit, babe) wherever (wherever)

I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home

I've been looking sad in all the nicest places

Baby, baby, I feel crazy

I see you around in all these empty faces

All night, all night and every day

I've been looking sad in all the nicest places

Give me something, oh, but you say nothing

Now I'm in a cab, I tell 'em where your place is

What is happening to me?

I don't wanna live forever, 'cause I know I'll be living in vain
And I don't wanna fit wherever

I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home
I just wanna keep calling your name until you come back home

I just wanna keep calling your name until you come back home
Until you come back home
