1. Once upon a time, a few mistakes ago
   G
   I was in your sights, you got me alone.
      Am                            F
   You found me, you found me, you found me-e-e-e-e.
   I guess you didn't care, and I guess liked that.
   And when I fell hard, you took a step back
                                            C
   without me, without me, without me-e-e-e-e.

                 G                      Am
*: And he's long gone, when he's next to me.
                F
   And I realize the blame is on me.

       Am              F                    G
R: 'Cause I knew you were trouble when you walked in.
         C      G       Am
   It's a shame on me now-ow.
              F              G
   Flew me to places I'd never been
          C      G
   'till you put me down, oh.
   I knew you were trouble when you walked in.
   It's a shame on me now-ow.
   Flew me to places I'd never been.
                                 Am
   Now I'm lyin' on the cold hard ground.
     Dm  G        C       G
   Oh, oh, trouble, trouble, trouble. (2x)

2. No apologies, he'll never see you cry.
   Pretends he doesn't know, that he's the reason why
   you're drowning, you're drowning, you're drowning-i-i-i-ing.
   Now I heard you moved on, the whispers on the street.
   A new notch in your belt is all I'll ever be.
   And now I see, now I see, now I see-e-e-e-e.

*: He was long gone, when he met me.
   And I realize – the joke is on me, yeah.
R:
             Dm                  Am
M: And the saddest fear comes creepin' in.
           Dm                G
   That you never loved me or her
      F          G
   or anyone or anything, yeah yeah.

R: + I knew you were trouble when you walked in.
   Trouble, trouble, trouble (2x)
