Jump Then Fall

Taylor Swift

D A Emi G (2x)

D A
I like the way you sound in the morning
Emi G
Were on the phone and without a warning
D A
I realize your laugh is the best sound
Emi G
I have ever heard.
D A
I like the way I can't keep my focus
Emi G
I watch you talk, you didn't notice
D A
I hear the words but all I can think is
Emi G
We should be together

Emi
Every time you smile, I smile
G
And every time you shine,
A
I'll shine for you.
D
Whoa I'm feeling you baby
A
Don't be afraid to
Emi
Jump then fall
G A
Jump then fall into me
D
Be there never gonna leave you
A Emi
See that you wanma be with me too

G A D
So imma stay through it all so jump then fall.

A Emi G D A Emi G
Ooh-oh- oh

Well I like the way your hair falls in your face
You got the keys to me
I love each freckle on your face
Oh
I've never been so wrapped up
Honey I like the way you're everything I ever wanted
I had time to think it all over
And all I can say is come closer
Take a deep breath and jump then fall into
.
Chorus

```
    Emi                 G             D
The bottoms gonna drop out from underneath
I'll catch you
A
I'll catch you
    Emi                     G                 D
And people say things that bring you to your knees
     A
I'll catch you
    Emi                               G                D  A
The time is gonna come when you're so mad you could cry
         Emi                   G               A
But i'll hold you through the night until you smile

Chorus:

Whoa I need you baby
Don't be afraid
Please jump then fall
Jump then fall into me

Be there I'm never gonna leave you
See that you wanna be with me too
Cuz Imma stay through it all so jump then fall

Jump then
A
fall Baby
Emi           G
Jump then fall
Into me
Into me

Emi
Every time you smile, I smile
    G
And every time you shine, I shine
    D
And every time you're here
          A
Baby I'll show you
I'll show you we can
D
Jump then fall
A
Jump then fall
Emi           G
Jump then fall
Into me

```
