

## Last Kiss

Taylor Swift

I still remember the look on your face  
Lit through the darkness at 1:58  
The words that you whispered  
For just us to know  
You told me you loved me  
So why did you go  
Away  
Away?

I do recall now  
The smell of the rain  
Fresh on the pavement  
I ran off the plane  
That July 9th  
The beat of your heart  
It jumps through your shirt  
I can still feel your arms

But now I'll go sit on the floor  
Wearing your clothes  
All that I know is that  
I don't know how to be something you miss  
Never thought we'd have a last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips

I do remember  
The swing in your step  
The life of the party, you're showing off again  
And I roll my eyes and then  
You pull me in  
I'm not much for dancing  
But for you I did

Because I love your handshake  
Me and my father  
I love how you walk with your hands in your pockets  
How you kissed me when I was in the middle of saying something

There's not a day when I don't miss those rude interruptions

But now I'll go sit on the floor  
Wearing your clothes  
All that I know is that  
I don't know how to be something you miss  
Never thought we'd have a last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips

So I'll watch you live in pictures like I used to watch you sleep  
And I feel you forget me like I used to feel you breathe  
And I keep up with our old friends just to ask them how you are  
Hope it's nice where you are

And I hope the sun shines  
And it's a beautiful day  
And something reminds you

You wish you had stayed  
You can plan for a change in weather and town  
But I never planned on you changing your mind

So I'll go sit on the floor  
Wearing your clothes  
All that I know is that  
I don't know how to be something you miss  
Never thought we'd have a last kiss  
Never imagined we'd end like this  
Your name, forever the name on my lips

Just like our last kiss  
Forever the name on my lips  
Forever the name on my lips  
Just like our last
