

# Never Grow Up

Taylor Swift

Your little hand's wrapped around my finger  
And it's so quiet in the world tonight  
Your little eyelids flutter cause you're dreaming  
So I tuck you in, turn on your favorite night light  
To you everything's funny, you got nothing to regret  
I'd give all I have, honey  
If you could stay like that

Oh darling, don't you ever grow up  
Don't you ever grow up, just stay this little  
Oh darling, don't you ever grow up  
Don't you ever grow up, it could stay this simple  
I won't let nobody hurt you, won't let no one break your heart  
And no one will desert you  
Just try to never grow up, never grow up

You're in the car on the way to the movies  
And you're mortified your mom's dropping you off  
At 14 there's just so much you can't do  
And you can't wait to move out someday and call your own shots  
But don't make her drop you off around the block  
Remember that she's getting older too  
And don't lose the way that you dance around in your pj's getting ready for school

Oh darling, don't you ever grow up  
Don't you ever grow up, just stay this little  
Oh darling, don't you ever grow up  
Don't you ever grow up, it could stay this simple  
No one's ever burned you, nothing's ever left you scarred  
And even though you want to, just try to never grow up

Take pictures in your mind of your childhood room  
Memorize what it sounded like when your dad gets home  
Remember the footsteps, remember the words said  
And all your little brother's favorite songs  
I just realized everything I have is someday gonna be gone

So here I am in my new apartment  
In a big city, they just dropped me off  
It's so much colder that I thought it would be  
So I tuck myself in and turn my night light on

Wish I'd never grown up  
I wish I'd never grown up

Oh I don't wanna grow up, wish I'd never grown up  
I could still be little  
Oh I don't wanna grow up, wish I'd never grown up  
It could still be simple  
Oh darling, don't you ever grow up  
Don't you ever grow up, just stay this little  
Oh darling, don't you ever grow up  
Don't you ever grow up, it could stay this simple  
Won't let nobody hurt you  
Won't let no one break your heart  
And even though you want to, please try to never grow up

Oh, don't you ever grow up  
Oh, never grow up, just never grow up
