There's glitter on the floor after the party Girls carrying their shoes down in the lobby Candle wax and Polaroids on the hardwood floor You and me from the night before, but

Don't read the last page
But I stay when you're lost, and I'm scared
And you're turning away
I want your midnights
But I'll be cleaning up bottles with you on New Year's Day

You squeeze my hand three times in the back of the taxi I can tell that it's gonna be a long road I'll be there if you're the toast of the town, babe Or if you strike out and you're crawling home

Don't read the last page
But I stay when it's hard, or it's wrong
Or we're making mistakes
I want your midnights
But I'll be cleaning up bottles with you on New Year's Day

Hold on to the memories, they will hold on to you Hold on to the memories, they will hold on to you Hold on to the memories, they will hold on to you And I will hold on to you

Please don't ever become a stranger Whose laugh I could recognize anywhere Please don't ever become a stranger Whose laugh I could recognize anywhere
