

# Opalite

Taylor Swift

## Verse 1

I had a bad habit  
Of missing lovers past  
My brother used to call it  
"Eating out of the trash"  
It's never gonna last  
I thought my house was haunted  
I used to live with ghosts  
And all the perfect couples  
Said, "When you know, you know"  
And, "When you don't, you don't"

## Pre-Chorus

And all of the foes, and all of the friends (Ha, ha)  
They've seen it before, they'll see it again (Ha, ha)  
Life is a song, it ends when it ends  
I was wrong  
But my mama told me

## Chorus

It's alright  
You were dancing through the lightning strikes  
Sleepless in the onyx night  
But now the sky is opalite  
Oh, oh-oh-oh-oh, oh my Lord  
Never made no one like you before  
You had to make your own sunshine  
But now the sky is opalite  
Oh, oh-oh-oh-oh-oh

## Verse 2

You couldn't understand it  
Why you felt alone  
You were in it for real  
She was in her phone  
And you were just a pose  
And don't we try to love love? (Love love?)  
We give it all we've got (Give it all we've got)  
You finally left the table (Uh, uh)  
And what a simple thought  
You're starving 'til you're not

## Pre-Chorus

And all of the foes and all of the friends (Ha, ha)  
Have messed up before, they'll mess up again (Ha, ha)  
Life is a song, it ends when it ends  
You move on  
And that's when I told you

## Chorus

It's alright  
You were dancing through the lightning strikes  
Sleepless in the onyx night  
But now the sky is opalite  
Oh, oh-oh-oh-oh, oh my Lord  
Never made no one like you before  
You had to make your own sunshine

But now the sky is opalite  
Oh, oh-oh-oh-oh-oh

Bridge  
This is just a storm inside a teacup  
But shelter here with me, my love  
Thunder like a drum  
This life will beat you up, up, up, up  
This is just a temporary speed bump  
But failure brings you freedom  
And I can bring you love, love, love, love, love  
Don't you sweat it, baby

Chorus  
It's alright  
You were dancing through the lightning strikes  
Oh, so sleepless in the onyx night  
But now the sky is opalite  
Oh, oh-oh-oh-oh, oh my Lord  
Never made no one like you before (No)  
You had to make your own sunshine  
But now the sky is opalite  
Oh, oh-oh-oh-oh-oh
