

# Starlight

Taylor Swift

I said oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
The whole place was dressed to the nines, and we were dancing, dancing  
Like we're made of starlight

I met Bobby on the boardwalk, summer of '45  
Picked me up late one night, out the window  
We were 17 and crazy, running wild, wild  
Can't remember what song it was playing when we walked in  
The night we snuck into a yacht club party  
Pretending to be a duchess and a prince

And I said oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
The whole place was dressed to the nines, and we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

He said "look at you, worrying too much about things you can't change  
You'll spend your whole life singing the blues if you keep thinking that way."  
He was trying to skip rocks on the ocean, saying to me  
"Don't you see the starlight, starlight?  
Don't you dream impossible things?"

Like oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
The whole place was dressed to the nines, and we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

Ooh ooh he's talking crazy  
Ooh ooh dancing with me  
Ooh ooh we could get married  
Have ten kids and teach them how to dream

Oh my, what a marvelous tune  
It was the best night, never would forget how we moved  
The whole place was dressed to the nines, and we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

Like we dream impossible dreams  
Like starlight, starlight  
Like we dream impossible dreams  
Don't you see the starlight, starlight?

Don't you dream impossible things?
