

# Teardrops On My Guitar

Taylor Swift

**A**

Drew looks at me

**E**

**A**

I fake a smile so he won't see

That I want and I need

**E**

**A**

Everything that we should be

I bet she's beautiful

**E**

**A**

That girl he talks about

She's got everything

**E**

**A**

That I've had to live without

Drew talks to me

I laugh cause it's so damn funny

But I can't even see

Anyone when he's with me

He says he's so in love

He's finally got it right

I wonder if he knows

He's all I think about at night

**A**

**E**

**A**

He's the reason for the teardrops on my guitar

**E**

The only thing that keeps me wishin' on a wishin' star

**A**

**E**

**A**

He's the song in the car I keep singin' don't know why I do

Drew walks by me

Can't he tell that I can't breathe

There he goes so perfectly

The kind of flawless

I wish I could be

She better hold him tight

Give him all her love

Look in those beautiful eyes

And know she's lucky cause

R:

So I drive home alone

As I turn out the light

I'll put his picture down

And maybe get some sleep tonight

Cause he's the reason for the

The only one who's got enough for me to break my heart

He's the song in the car

He's the time tickin' on but there's never enough

And he's all that I need to fall into

Drew looks at me

I fake a smile so he won't see
