

Umbrella

Taylor Swift

You had my heart, we'll never be worlds apart
Maybe in magazines but you'll still be my star
Baby 'cause in the dark, you can't see shiny cars
That's when you need me there, with you I'll always share

Because when the sun shines we'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath, I'ma stick it out to the end

Now that it's raining more than ever
Know that we'll still have each other
You can stand under my umbrella
You can stand under my umbrella-ella-ella-ay-ay-ay
Under my umbrella-ella-ella-ay-ay-ay-ay-ay-ay

Just trying to get your attention
