

## Welcome back Grunwald

Taylor Swift

Turn WYCD on  
You're on your Grunwald  
Back from the Amazon  
Ah huh huh

He's here with doctor Don  
I heard they dropped him off  
In the amazon  
Ah huh huh

He caught an anaconda  
Ate some piranhas  
That's kinda disgusting  
But whatever makes you happy  
And I heard some naked boy  
Showed him around  
Yeah  
Grunwald's back in town
