

White Horse

Taylor Swift

C A F F (2x)

C **Ami**
Say you're sorry that face of an angel
F **G**
Comes out just when you need it to
C **Ami**
As I paced back and forth all this time
F **G**
Cause I honestly believed in you
Ami **F**
Holding on the days drag on
G
Stupid girl

I should have known, I should have known

C **Ami**
R: I'm not a princess, this ain't a fairy tale
F
I'm not the one you'll sweep off her feet
G
Lead her up the stairwell
C **Ami**
This ain't Hollywood, this is a small town
F **G**
I was a dreamer before you went and let me down
Ami **G**
Now it's too late for you
F **C**
And your white horse, to come around

2. Maybe I was naive, got lost in your eyes
And never really had a chance
My mistake, I didn't know to be in love
You had to fight to have the upper hand
I had so many dreams about you and me
Happy endings, well now I know

R:

Ami **G** **F**
And there you are on your knees
Ami **G** **F**
Begging for forgiveness, begging for me
C **G** **Ami** **F**
Just like I always wanted but I'm so sorry

C
Cause I'm not your princess, this ain't a
Ami
fairytale
F
I'm gonna find someone someday who might
G
actually treat me well
C **Ami**
This is a big world, that was a small town

F **G**
There in my rearview mirror disappearing now
Ami **G** **F**
And its too late for you and your white horse
Ami **G** **F**
Now its too late for you and your white horse,
C **Ami**
To catch me now
F **G** **C**
Oh, Try and catch me now
Ami **F** **G**
Oh, it's too late
C
To catch me now
